### PARENTING ORDER/CUSTODY & ACCESS AGREEMENT

There are occasions where child guardianship concerns involve the school. If your child is in a situation relating to any of the orders below, please complete the appropriate section(s) so the school has the necessary information to follow a proper course of action. The school must be supplied with a copy of the order and court seal must be evident on the order.

CUSTODY AND ACCESS ORDER: Yes \( \text{No} \)
Both the custodial and the non-custodial parents have access to the child. If the non-custodial parent wants to take the child from the school, the school can attempt to contact the custodial parent and advise of the situation. The school cannot try to prevent the non-custodial parent from taking their child.  Name of Child:  Name of Custodial Parent:  Name of Non-Custodial Parent:  Contact phone number if an incident occurs or concerns arise at the school:  Custody/Access concerns:
LEGAL RESTRAINING ORDER: Yes \( \text{No} \( \text{No} \)
One parent has custody and the other parent has a restraining order from a court prohibiting contact with the child. If the non-custodial parent takes the child from school, the school must call the Edmonton Police Service and advise them of the situation. From that point on, it is a police matter. The school will attempt to contact the custodial parent and inform them of the situation.  You must be aware that the school and its personnel will take responsible actions should an incident occur, but we may not be able to make phone contact with the custodial parent, and we are not legally allowed to prevent any parent from accessing their child. If you would like further clarification on this matter, please contact the School Principal.
PARENTING ORDER: Yes \( \text{No} \)
The courts may make a Parenting Order when a child has more than one guardian (usually parents) who live apart and are unable to agree on how to distribute powers, responsibilities and entitlements of guardianship.  What is the allocation of decision making powers?

# YOUR DREAM CASTLE

### OUR JOURNEY

The new school building - our future castle - is a crucial component to help meet the whole child with reverence.

Our dream for a new castle is one full of natural light, creating homely warmth for our Early Years students with access to the beauty of nature. In addition, we will add junior high classrooms to replace the portables and create a space nurturing independence and growth for our maturing students.

In 2019, our community purchased the land our school sits on. It wasn't easy; it took vision, money and dedication, and we succeeded. Then we secured the funds for the new playground and outdoor classrooms.

Now we invite you into the so next phase of this spectacular journey towards *learning to change the world*.

To fulfil this quest your help is needed. Will you join this merry band of travellers on the road to build a new castle?

The next phase of this project is projected to cost around \$3.5M.

Raising \$24,000 in monthly donations will secure and contribute to the new mortgage needed to hire architects, plan together and build our new school.
