# Waldorf Parent-Child Programs

2026 - 2027

The Waldorf Parent-Child Program  
offers a gentle and nurturing  
environment for children who are  
accompanied by a parent or caregiver.

## Parent - Child Classes

Discover the Waldorf approach to early childhood education. In our programs, children and their caregivers engage in a range of activities, promoting holistic development.

Our days begin with unstructured outdoor play, allowing children to connect with nature, and nurturing the body, heart, mind and spirit.

Indoors, children and caregivers enjoy free play, circle-time filled with seasonal songs and rhymes, enchanting puppet plays, and snack. Parents gather to share care-giving experiences, seek guidance, and create seasonal crafts or simple Waldorf toys.

Teacher-led craft projects offer creative outlets, and opportunities for assisting with classroom tasks abound.

Our rhythm ensures that even the youngest children adapt and feel part of the group, fostering a sense of belonging. Join us on this enriching Waldorf journey, where your child's early years will be nurtured with care and love.

Experience holistic education at its best.

## Parent Orientation

**Wednesday, Sept 9th, 6:30pm - 7:30pm**

All parents are required to attend a pre-session Orientation Tea, where the class session teacher(s) will provide a brief outline of what to expect in the upcoming session.

Even if you have attended previous sessions, it is important for you to attend the orientation. This is a short event, intended for parents only (babies in arms are welcome).

Younger siblings are welcome in all classes. However, any children 12 months or older are considered a full registration. A 25% discount is offered for siblings. If you are registering more than one child, please contact us for the exact fee.

Classes are limited to 12 registered and 2 unregistered (siblings) on a first come, first served basis.
